

Village Studies Plan To Buy Disposal Plant

The street and alley committee has been tapped to make a recommendation on the proposed purchase of a five year old sewage disposal plant that would double Antioch's treatment capacity.

An open discussion on the plant, offered for sale at a reported price of \$35,000 by the Buffalo Utility Co. of Buffalo Grove, highlighted Monday night's meeting of the village board.

Frank Angelotti, village engineer, said the plant would enlarge Antioch's treatment potential to handle a population of 10,000 persons.

"It would fit nicely with future plans," he said.

The Ziegler Construction Co. proposed a price of \$69,000 to dismantle the plant at Buffalo Grove and transport it to Antioch where it would be reassembled.

Angelotti said the present plant in operation is identical in size with the one on sale by the utility company.

He said a new one would cost the village \$150,000 plus the cost of a building to house supporting equipment.

"For \$45,000 more," said Trustee Robert Wilton, "we ought to buy a new one."

Village Mayor Raymond Toft suggested the street and alley committee consider the purchase of the plant and make its recommendation at the July 6 meeting.

The trustees postponed opening bids on the repair of sidewalks in the downtown area on recommendation of the insurance committee in the hopes of attracting several more contractors.

Only one bid was received at Monday's meeting.

"We ought to get another bid on the repairs," said the mayor.

"If we open this one, then we'll be stuck with it."

An ordinance was adopted licensing places selling food to the public. Among places affected are restaurants and grocery stores.

Cost of the license is \$10 annually. Expiration date of the license is April 30 which is the end of the village's fiscal year.

Repeated violations of the ordinance can result in the revocation of the permit, according to the law enacted by the trustees to give "more muscle" to the Lake County Health Department which makes inspections of places dispensing food.

Penalty for violations is a fine not to exceed \$500.

The ordinance will become effective 10 days after its publication.

Trustees authorized that a price be sought on the cost of installing permanent markings for parking places, turn lanes and at crosswalks on village streets.

Street markings would be of the perma-line, which villages and cities such as Des Plaines, Villa Park, Macomb, and Kankakee said they had satisfactory results within the past years.

Estimates are expected to be available by the next meeting. Motor fuel tax money apparently will be used for the installation of storm sewer instead of on streets in wake of restrictions imposed by state officials which makes road costs prohibitive.

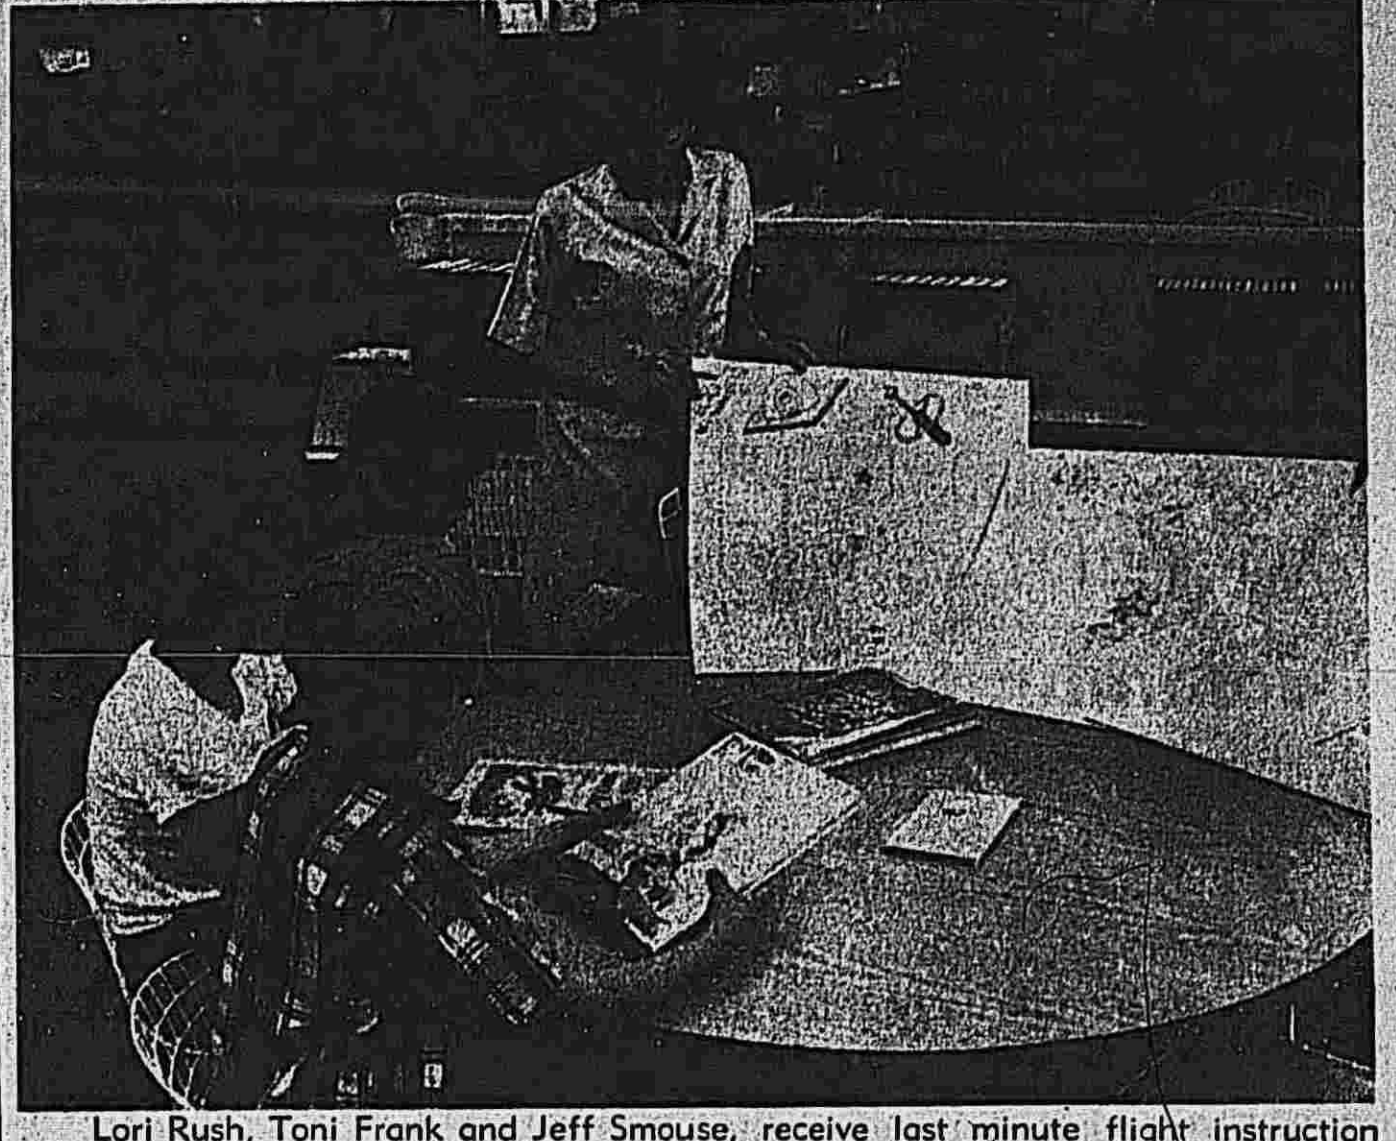

"They can't tell us what to do if we use money out of the general fund for street repairs," said the mayor. "We could not get many streets repaired if we followed the state's suggestion."

The village engineer was authorized to design plans for the installation of a storm sewer that would give relief to the flooding in around the Scout House on north Main Street.

Cost of the sewer that would originate on Poplar Street and end at Sequoit Creek is not expected to run more than \$31,000.

The engineer also was allowed to prepare plans for a storm sewer on St. Peter's Drive near the Catholic Church to give relief to flooding also in that area.

Funds earmarked for this project (Continued on page two)

Lori Rush, Toni Frank and Jeff Smouse, receive last minute flight instruction from program director Miss Betty Lu Williams as the Antioch Township Library gets ready to blast off its Summer Reading Program "A Flight In Space" on June 22. The age group developing the program are the 2nd grade through the 6th grade. "Re-entry and splashdown" is planned between Aug. 10 and 15. (Photo by Joe Rush)

3 County 4-Hers To Maryland

Three top Lake County 4-Hers will be among the Illinois delegation to the "Citizenship Short Course," June 13-20, held annually at the National 4-H Center at Chevy Chase, Maryland.

The 4-H Citizenship Short Course is conducted by the National 4-H Club Foundation in behalf of the Cooperative Extension Service of the United States Department of Agriculture and the State Land-Grant Universities. They are designed for participation by 4-H Club members of senior high school age.

Poppies On Sale June 19

Buddy Poppies will go on sale in Antioch on June 19th and 20th. They will be sold on the streets by volunteer workers.

Throughout the nation, veterans in need are counting on you to bring them timely assistance through your purchase of the Buddy Poppy.

Your donation will help those who helped you during our country's darkest hours. Let us honor those who died on foreign battlefields by bringing aid to those who fought beside them. You, too, can feel proud that you are helping someone who cannot help himself.

Our nation's disabled veterans are the responsibility of all citizens. Annually, the Veterans of Foreign Wars sponsors the Buddy Poppy sale to raise money for needy and disabled veterans.

This is their way of "Honoring the Dead by Helping the Living." You can pay your respects on June 19th and 20th when the Veterans of Foreign Wars Buddy Poppies will be on sale in Antioch.

Bar Poll Qualifies 3 Judges

Three candidates for Supreme Court of the 2nd Judicial District have been recommended in a poll among lawyers on the qualifications of the candidates.

The results of the poll were announced by Arthur T. Lennon, Chairman of the Illinois State Bar Association's Committee on Judicial Advisory Polls.

Republicans Charles H. Davis, William L. Guld, and Thomas J. Moran were all recommended for the post sought by the Democrats voting, the Republicans voting and the total lawyers participating in the poll.

A total of 445 lawyers participated in the poll in the 2nd District which is comprised of 13 counties in the Northern portion of the State. These counties are Boone, Carroll, DeKalb, DuPage, Jo Daviess, Kane, Kendall, Lake, McHenry, Ogle, Stephenson, Lee & Winnebago. Of these voting 68 were Democrats, 279 were Republicans and 98 were unaffiliated.

Interact Club Has Car Wash

The Antioch Interact Club has initiated a car wash and wax service to operate throughout the summer in this area.

The boys are providing this wash, wax and buff service for as little as \$5.95 depending upon the size of the car.

Money from this project will be used for other club projects during the school year after workers have been paid.

Mike O'Neill and Chip Gross each operate two crews of workers with each crew operating 3 1/2 days a week.

The cars are serviced at the Interact Lounge on North Avenue in Antioch.

Appointments for washing and waxing can be made by calling 395-1765.

Board Hires Meyer

The Antioch Grade School Board of Education has selected Henry C. Meyer, 49, of DeKalb, as its new superintendent.

Meyer, who will take office on July 1, is replacing present Supt. Richard Whitacre whose contract with the board was not renewed as of June 30.

Meyer, who is married and the father of seven children, is presently teaching at Northern Illinois University where he is working toward his doctorate in school administration.

A native of Jasper County, Ill., he received his bachelor of science degree in industrial education in 1950, and his master's degree in school administration in 1961, both from the University (Continued on page eight)

Charmglow Open Set For Friday

The fourth annual Charmglow \$25,000 Pro-Am celebrity golf tournament will be held at the Bristol Oaks Country Club, Bristol, Wis., beginning at noon July 19.

Thirty-six fivesomes will tee off in the richest one-day golf tournament.

In addition to a field of top professional golfers from Wisconsin and Illinois, the celebrity ranks will be filled with well-known professional athletes, plus personalities from the local television, radio and newspaper media.

Night club and television entertainer, Woody Woodbury will be the emcee for the evening festivities.

ESO Change Of Command

Rear Admiral Bernhard H. Bieri, Jr., Supply Corps, USN, Chief of the Navy Supply Corps and Commander, Naval Supply Systems Command, Washington, D.C., will be the featured speaker at the Navy Electronics Supply

Systems Command, Washington, D.C., will be the featured speaker at the Navy Electronics Supply

Base, Great Lakes, will give remarks. The Rev. Frederick W. Phinney, rector of the Church of the Holy Spirit, Lake Forest, will deliver the invocation and the benediction.

Captain Thomas J. O'Connor,

Capt. Garrett

Office change of command and at a luncheon for junior Supply Corps Officers on June 19 at Great Lakes, Ill.

Captain John H. Garrett, Jr., SC, USN, will turn over command of ESO to Captain Russell A. Jones, SC, USN. Captain Garrett has been Commanding Officer of ESO since Sept. 30, 1968. During this time, he served as a Director of the Chicago Chapter, Armed Forces Communications and Electronics Assn., and as a member of the Military Liaison Committee of the Commander, Naval Supply

Rear Adm. Bieri

Captain Jones has been serving as head of the CNO Information Systems Branch in the Office of the Chief of Naval Operations, Washington, D.C.

Change of command ceremonies are scheduled to begin at 10:30 a.m. on the east lawn of the Electronics Supply Office, located on the northwest corner of the junction of Green Bay and Buckley Roads (Illinois Highways 131 and 137).

Rear Admiral Henry A. Renken, Commander Ninth Naval District and Commander, Naval

Capt. Jones

SC, USN, Executive Officer of ESO, will be master of ceremonies. Commander Robert M. Brown, SC, USN, Director of the Provisioning and Allowance Division, will be in charge of the military personnel formation. Musical selections will be provided by the Recruit Training Command band.

Following the change of command reception, Admiral Bieri will speak to junior Supply Corps officers in the Chicago-Great Lakes area at a luncheon in the ESO staff dining room.

Antioch Will Get Simulator

Public Works Director William F. Cellini has announced approval of a local highway safety project for Lake County providing for the lease-purchase of one twelve - place driving training simulator for Antioch Community High School.

This project will broaden the activities of the County devoted toward traffic safety. This is a part of the State Highway Safety Program and will be provided at a total cost of \$16,800.

Half of the costs will be borne by Antioch Community High School and half will be reimbursed under provisions of the Highway Safety Act of 1966. This project is one of more than 250 now being carried out by counties and municipalities of the State.

A number of projects are also being carried out by State agencies under the direction of Governor Richard B. Ogilvie to promote greater highway safety in Illinois through advanced technology and training.

Role Changes For Board Negotiator

The Antioch High School Board of Education has changed the capacity of Mr. Richard Zweiback from negotiator consultant to professional negotiator in representing the board in rewriting a new professional negotiations agreement and negotiating welfare items for teachers.

Other persons representing the board with Zweiback are Supt. Albert Dittman, assistant Supt. Warren Polley and the administrative assistant for business Jack Felger.

Full Gospel Fellowship Meeting Set

Nine Greater Chicago area chapters of Full Gospel Business Men's Fellowship International are uniting in hosting the 17th annual convention of the organization slated to open for six days June 29 in the Windy City's Conrad Hilton Hotel, says Walter Block, president of Quaker Inn.

Carlson

industries of Antioch, and an international director of the men's organization.

It will be the second time Chicago has been the international convention city, noted Block. First was in 1965. Grant Spong, also of Antioch, is president of the FGBMF North Shore chapter. Henry F. Carlson, Chicago, chairmans the convocation.

Rev. Peter Marshall, Jr., son of the late Rev. Peter Marshall, Washington, D. C. Presbyterian pastor, and Kathryn Kuhlman, Pittsburgh, noted pulpit, radio and television evangelist, head the list of special speakers, noted Block.

Business and ministry personalities to address the several (Continued on page two)

Employment Survey Set For Area

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of June 14, Theodore F. Olson, Director of the Bureau's regional office in Chicago announced today.

The households to be interviewed here are part of a scientifically designed sample that is representative of the entire U. S. population. The employment and unemployment statistics are collected monthly by the Bureau for the U. S. Department of Labor to provide a continuing measure of the economic health of the Nation as a whole and of its major regions. Questions on employment similar to those in the sample survey were asked of the entire population in the 1970 decennial census, now being completed. Bureau officials point out, however, that the monthly survey is essential as the source of current employment data.

Facts supplied by individuals participating in the survey are kept confidential and the results are used only to compile statistical results. The law safeguarding the privacy of the individual applies to all census taking operations.

Bond Purchase In County At \$445,997

Lake County residents purchased a total of \$445,997 in series E and H bonds and Freedom Shares in April according to Richard F. Kennedy, Waukegan & Richard D. Newland, Waukegan, county chairmen of the savings bonds committee.

Community Progress

The Village of Antioch is really moving along.

First a road paving program is under study.

And now an additional sewage treatment facility is being talked about for our village.

We are hard-pressed sometimes to come up with answers when we are questioned about what is happening in our village. But we have them ready-made through the efforts of a forward looking board of trustees.

The additional facilities—if they come to fruition—can do nothing but enhance our village's chances in the industrial market that we are seeking to bring into the area.

Keep up the good work, fellas.

We are behind you all the way in any venture that benefits our community.

We might caution, however, that studies and talk can be long and drawn out.

Action speaks louder than words in these ventures.

Drive Defensively

Although your chances are one in five of being involved in a single vehicle accident, the chance of a fatality is five times greater than it would be if you were involved in an accident with another motor vehicle, according to the Institute for Safer Living.

The whackiest part of this whole bundle is that when the road is straight, the highway of an improved type, and traffic congestion is least, you stand a better chance of becoming involved in this type of accident than you do when driving on a crooked rural road or in city traffic.

According to the Institute for Safer Living of the American Mutual Liability Insurance Company, another thing that doesn't seem to tally is that such accidents are easiest to prevent because they usually involve factors within the control of the individual driver.

Fatigue, inattention, speed too fast for conditions, drunkenness, illness of the driver and occasionally a mechanical defect are the usual causes within the direct control of each driver.

Of course there is always the pedestrian, the kid on a bicycle, a bird or animal that intrudes abruptly into your path.

Nevertheless, you as a driver cannot divest yourself of responsibility by blaming it on the intruding "other guy" for in each case you are the other guy—the guy who had the responsibility to maintain his vehicle under control and in good mechanical condition at all times, so that he would not be involved in a preventable accident.

No driver can afford to lose his alertness or ability to act promptly and properly within the capabilities of his vehicle when behind the wheel of a car or truck.

Neither can he afford to drive at speeds too fast for conditions or to drive equipment that is defective in condition.

The impact of hitting an object at 60 miles per hour is equivalent to driving your vehicle off the top of a ten-story building.

Your own chance of living through a crash at 75 miles per hour are one in eight and at 80 miles per hour death is a near certainty.

Drive defensively.

Be reasonable about what, when, and how you drive, advises the Institute.

We think this is good advice.

De-escalate your speed.

Make needed rest stops to relieve muscle and brain-cramping tedium and chances are you won't get hung up in a single vehicle accident.

(Guest Editorial)

Letters to the Editor

June 12, 1970

Dear Editor:

The American Red Cross is once again promoting our Annual "Shop Early" program, through which we send a Christmas ditty bag to every U.S. serviceman in Vietnam. We would be most grateful if you would print an article, including the following information:

"Operation Shop Early" gives you and your friends a chance to make sure every U.S. serviceman in Vietnam gets a personal gift this Christmas.

Individuals and groups are invited to supply the contents of "Santa Claus Gift Bags" for our servicemen. Each bag contains articles approved by military authorities and most wanted by the man. The gift bags for G.I.'s in Vietnam should contain 12 to 15 items, such as writing materials, small games and playing cards, sealed packages of gum and food, and personal articles.

Holiday gift cards are supplied with the bags, so you or your group may send personal greetings to the man who receives your holiday gift.

Your American Red Cross coordinates the entire program and provides bulk packing and mailing. Red Cross workers stationed with the troops in Vietnam will distribute the gift bags in time for the Holidays. From the many letters of thanks received from Vietnam, these gifts have been greatly appreciated.

If you find you do not have the time to fill a bag, we estimate the cost to be \$4.50, and with a donation of this amount, we will fill it for you and send a Christmas card with your name on it.

Last year, we in the Lake County Region, because of a wonderful response from the citizens, sent over 2000 bags to Vietnam. This year we are hoping to double the number.

Deadline for sending the bags overseas is September 15th. Won't you help again this year by calling or stopping by the American Red Cross, 308 Julian Street, Waukegan, ON 2-4044.

Very truly yours,
(Mrs.) Judy C. Brown,
Regional Field Representative
Lake County Region.

Bond Purchase...

(Continued from page one)
were \$24,689,048 according to Clarence S. Sochowki, market director of the Treasury's savings bonds division. This is \$80,642 more than sales for the month of March and represents 6.4 percent of the national total which was \$384 million.

With the new 5 per cent rate now in effect and payroll savings campaigns in progress in thousands of companies across the nation a marked increase in sales is expected by mid-year.

Village Studies...

(Continued from page one)
including engineering fees are not to exceed \$2,000.

Fire Chief Charles Maplethorpe was authorized to attend a fire chief's conference Thursday in Libertyville.

The pica or whistling hare, looks like a tiny, short haired rabbit but resembles a guinea pig in its lack of a tail.

Bar Poll Qualifies...

(Continued from page one)

Lennon said the purpose of the polls is to "make a conscientious analysis of the qualifications of the candidates as viewed by their own colleagues, who know them best, and to make the results available to the judicial nominating conventions and to the voting public for such use as they may care to make of them."

He said the "comparative ease with which judges may remain in office under the Judicial Article makes it imperative that only able candidates be nominated in the first place." Lennon stressed the point that the vote of "not recommended for judge" does not reflect on the ability of the individual as a lawyer, but merely indicates that his colleagues, for various reasons, did not wish to recommend him for the judicial office sought.

The candidates were rated on the answers to six questions contained in the ballot. The six questions, which could be answered "yes" or "no" or "no opinion," are as follows:

1. Has he adequate legal ability? 2. Has he adequate legal experience? 3. Is he courteous and considerate? 4. Would he be deliberate and fair-minded in reaching his conclusions? 5. Would he be industrious and prompt in the performance of judicial duties? 6. Have you confidence in his integrity?

Various percentages are applied to each question for grading purposes—question No. 1, 20%; No. 2, 10%; No. 3, 10%; No. 4, 15%; No. 5, 10%; and No. 6, 35%. A candidate is considered recommended if he has a "passing grade" of 80.

Full Gospel...

(Continued from page one)
thousand expected registrants are Dr. Ray C. Jarman, Los Angeles; Rev. Harold Bredesen, New York; Rev. Velko Mannin, Sweden; and Dr. James Brown, Parkersburg, Pa. FGBM.

FI board directors to be heard include Paul Toberty, Santa Ana; Enock Christoffersen, Turlock, and Frank Cordeiro, Hayward, all in California; Dr. Jere Melilli, Baton Rouge, La., and Judge Kermit C. Bradford, Atlanta, Ga. International secretary Darrell Hon, Fullerton, Calif., also speaks.

Breakfast and luncheon gatherings for men and women, military session, youth rallies, daily inspiration hours and Saturday evening fellowship rally are programmed.

The organization, further disclosed Block, incorporated in 1952 to "provide a basis of fellowship among all full gospel men everywhere, and to reach men everywhere for Christ," is also a "service arm to churches" through its nearly 600 chapters around the world.

14 On Dean's List From Antioch Area

Six Antioch students and eight others from Lake Villa have made the Dean's list for the second semester at the College of Lake County.

Those from Antioch include Richard D. Powles, Susan K. Hession, Arlene H. Wegner, Patricia Johnson, Karen Schreier and Rick L. Anderson.

Those from Lake Villa include Sheryl S. Bury, Larry J. Hart, Joseph A. Fosco, Arline B. Mason, Steven J. Sandberg, Betty J. Jones, Margaret A. Jordan and Caron P. Marotta.

Music Center Registration Is Underway

Registration is underway for summer classes at the Music Center of Lake County, said David Goodman, director of the non-profit fine arts school. Located in Bowen Park in Waukegan, the school offers classes in Music, Art, and Dance for children and adults alike.

The summer art program includes children's classes on Tuesday and Thursday mornings, and oil painting classes on Tuesday evening and Wednesday afternoons. Dance classes will be held on Saturday mornings for children 4-17 years of age. Music lessons on piano, guitar, and

strings and band instruments are scheduled during the week. Children 4-7 years of age may enroll in Carl Orff Introduction to Music classes. Using drums, xylophones, and other rhythm instruments, these children are taught the fundamentals of music and prepared for private lesson study when they are older. Teen-agers and adults may enroll in a special Folk Guitar class taught by folk-singer Carl Canfield. This class, for intermediate and advanced players, will explore folk singing and playing techniques, and emphasize performance style.

The 6-week summer term begins June 20 and ends August 1. Registration is at the Music Center, 1917 N. Sheridan Rd., Waukegan, and interested parents may call the school at 244-4270.

Mr. and Mrs. Vye

Jeanette Van Patten Wed To John B. Vye

The Millburn Congregational Church was the setting at 4:30 p.m. on June 6 when Jeanette Van Patten became the bride of John B. Vye, Jr.

The bride is the daughter of Mrs. Jean Van Patten, of Rte. 2, Box 185, Antioch, while the groom is the son of Mr. and Mrs. John B. Vye of Mt. Morris. The Rev. L. H. Messersmith performed the ceremony.

The bride chose a gown of organza over taffeta fashioned with a Juliet high neck, empire bodice with petite leg o' mutton sleeves. A garland of Venice lace at the neckline and down the front of the bodice and a garland of tiny daisies of Venice lace and satin bows accented the sleeves.

The gown featured a semi-full skirt with detachable chapel train also accented by Venice lace garland on train and bordering the skirt with satin bow with a streamer at the waist.

Bridesmaid for the wedding was Miss Sharon Jostes of River-

dale, while Daniel Cowser was best man. The bridesmaid wore a navy blue print organza with white collar and cuffs and a matching white hat with navy blue ribbon.

A reception followed the ceremony at the Country Squire followed by a honeymoon trip to White Pines State Park. The young couple is at home at Kirkland, Ill.

Arts And Crafts Fair On Sunday

COME ONE, COME ALL to the Twin Lakes Arts and Crafts Fair on Sunday, June 21, 10 a.m. to 5 p.m. at Lakewood School, Twin Lakes. No admission charge.

Mr. Earl Ellers of Salem will conduct the auctions at 1:30 and 3:30 p.m. Mr. John R. Fleischer of Silver Lake will be the judge.

The public opinion vote will be tallied at 3 p.m., so be sure to get there early to vote for your favorite picture or craft work.

CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Force?" This question is the title of the Lesson-Sermon to be read in Christian Science churches this Sunday.

The creation of man and the universe is ascribed to God rather than to a chain of material reactions, according to Isaiah: "I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded."

Also in the lesson from Science and Health with Key to the Scriptures by Mary Baker Eddy are the pertinent questions:

"Did man, whom God created with a word, originate in an egg? When Spirit made all, did it leave aught for matter to create? Ideas of Truth alone are reflected in the myriad manifestations of Life, and thus it is seen that man springs solely from Mind."

All are welcome to attend First Church of Christ, Scientist, BEACON HILL, 173 & Harden, Antioch, Illinois. Services begin at 11 a.m.

Nursing Cap Will Go To Lynn Geist

Miss Lynn Geist, daughter of Mr. and Mrs. Charles Geist, Rte. 1, Box 496, Antioch, will graduate at 8 p.m. June 20 from the St. Francis Hospital School of Nursing, Peoria. The ceremonies will be held at Bergan High School auditorium.

Church School Has Openings

There is still time to sign up for Vacation Church School at the Antioch United Methodist Church. Any children from pre-kindergarten to sixth grade are welcome. Classes will continue weekdays from 9 a.m. to 11 a.m. until Tuesday, June 30.

EIGHT AND FORTY HOST STATE PRESIDENT AT ANTIOCH MEETING

By Del Jahneke

The Lake County Salon No. 191 of the Illinois Eight and Forty met at Joe and Helen's Little Acres Restaurant, Loon Lake, Antioch, on June 3rd, for their annual dinner party meeting.

The guest of honor was the Departmental Chapeau (State President) Mrs. Bess Lewis of Galesburg, accompanied by the Departmental Cassiere (State Treasurer) Mrs. Dorothy Peterson, also of Galesburg.

After the dinner, the meeting was conducted by Mrs. William Franzen, Vernon Unit, Le Chapeau. Election of officers was held, with the slate of officers as follows: Le Chapeau, Mrs. Frank Waggett, Highland Park; Le Demi Chapeau, Mrs. Norman Holt, North Chicago; Le Demi Chapeau, Deuxieme, Mrs. Ray Suzi, Highland; L'Archiviste, Mrs. Joseph Howland, Libertyville; L'Aumonier, Mrs. Howard Vaughn, Mundelein, and L'Concierger, Mrs. John Schultz, North Chicago.

In her talk, Mrs. Lewis told of her recent visit to the National Jewish Hospital (NJH) at Denver, Colo. The NJH specializes in tuberculosis, cystic fibrosis and other respiratory diseases of children. This hospital is open to all children, regardless of race or creed. The Illinois Eight and Forty has donated thousands of dollars over the years usually buying one or two beds (\$1000 each) every year, and has financially aided in the buying of needed medical equipment. According to Mrs. Lewis, when an "8 & 40" member visits NJH, they really get the "red carpet" treatment. Mrs. Lewis also told of how the county salons contribute to the TB Nursing Schoolships have provided several young women with this special kind of nursing training this year. The Eight and Forty is an honor subsidiary of the American Legion Auxiliary.

The tables were cleverly covered with colorful little clowns, with a circus carousel on the head table, thus conforming to the year's theme: "The Greatest Show on Earth."

The hostess committee were Mrs. R. Rathmann, Mrs. Edward Jahneke, Mrs. John L. Horan, all of Antioch, and Mrs. Robert Wigglesworth of Fox Lake.

Both Mrs. Horan and Mrs. Jahneke are past Chapeaux of the Lake County Salon No. 191.

The VA's annual report says veterans, their families, and survivors of deceased veterans account for nearly 96 million of America's population of just over 200 million.

Bryan Sorensen plays Tony and Mary Wiczorek plays Polly in the production of the 'Boy Friend'.

'Boy Friend' Featuring Talented Cast

The tittering and squeals of young ladies in a French Finishing School . . . young lovers meeting . . . older lovers reconciling . . . the Charleston and the Riviera . . . bobbed hair, 1920 mini skirts . . . old-fashioned swim suits.

Don Beveroth stealing scenes as usual, and Wilmo's Bessie Barnes holding forth at the piano with verve and finesse . . . a (oo-la-la) French maid named Hor-

tense . . . a cast of talented teens and adults!

Catchy tunes you won't stop humming . . . and definitely family entertainment.

All the above and more is the musical comedy spoof "The Boy Friend," directed by Ken Smouse, now playing at the Antioch Country Club Playhouse Friday and Saturday evenings. Curtain time 8 p.m. Call 395-3000 for reservations.

It's an evening of light hearted, bouncy entertainment that the entire family will enjoy.

Legion Auxiliary

By Del Jahnke

The 10th District Juniors of the American Legion Auxiliary will be holding a combination meeting, picnic lunch and swimming party, at the Lake Zurich Sandy Point Park, on June 20th, starting at 10 a.m. Election of District Junior Officers will be held.

Mrs. Richard Stasny, Mundelein, District Juniors Activities Chairman, states that all juniors in Lake County are welcome to attend this event, regardless of whether they belong to an organized group or not.

At the recent 10th District Auxiliary meeting, Susan Rathmann of Antioch won an Honorable Mention in the District Juniors Foreign Relations Doll Dressing Contest.

Susan had cleverly fashioned a colorful Nicaraguan costume for her doll. Nicaragua is the country the entire Auxiliary has been studying, and aiding financially this past year.

Mrs. Bernard DeVries, Antioch unit Junior Activities Chairman, can be contacted for any further information regarding this picnic meeting.

Two honors have been accorded 10th District Auxiliary members: Mrs. Joseph Hogue, Waukegan, District Historian, has been appointed a Department Page at the State Convention, to be held at the Sherman House, Chicago, from July 23-26; and Mrs. Norman Holt, North Chicago, has been asked to serve on the state Public Relations staff at this year's Illinois State Session; to be held at MacMurray College in Jacksonville, June 18-23.

Mrs. Holt is the daughter of Mr. William Dowden of Antioch, a Past District Commander.

PRINCE OF PEACE

The first meeting of the Prince of Peace Church Parish Council was held Monday, June 8.

Members of the Parish Council representing the following committees are: Liturgy, John Quinn; C.C.D., Mrs. Clarence (Nancy) Kieffer; School Board (Incorporating the Mother's Club) Richard Wolff; Altar and Rosary, Mrs. Richard (Katie) Blake; Holy Name Society, Clarence Reed; Finance, Mrs. Virginia Henry; Youth, John Hamlin; Social, Mr. and Mrs. Joseph (Luanne) Cassidy.

The committees were charged to choose goals to work toward (setting deadlines for results) and to submit progress reports at the next meeting.

The 10:30 Mass on June 21 will be a guitar Mass.

Rummage is needed for the annual Parish Rummage Sale to be held on June 26 and 27 this year. Just drop any items at the school any day or evening. Contact Mrs. Joseph King, chair-lady, if you can help sort.

Twenty-nine persons, including Father David Lynch, Father John Carolan and the three Sisters attended the Altar and Rosary Sodality installation dinner at Sabatini's Restaurant at Long Lake on June 3. Mrs. Joseph King, outgoing president, installed Mrs. Richard Blake, president; Mrs. Charles Vrba, first vice president; Mrs. William Richter, second vice president; Mrs. Pat Dittmer, secretary; and Mrs. John Hamlin, treasurer.

Father Lynch presented the outgoing officers with religious medals on a chain. Father Carolan was presented with a birthday cake, since June 4th was his birthday. Mrs. Vrba presented Mrs. Edward Mann with an orchid corsage and a birthday card from the ladies with a note, that two Masses were being said for her work, in appreciation for all her services.

Social meetings will not be held during July or August. They will resume in September.

Philip Jackson and Virginia Rosol will be married Saturday, June 20, at Prince of Peace Church at 4:00 p.m. Nuptial Mass.

Other weddings coming up are John Lodolce and Beverly Meyer; Arnold Shanks and Jacqueline Schwanbeck; and Anthony Hallock and Kathy Wedge.

WOMEN'S CLUB

Business discussed at the Women's Club meeting last Thursday included the reading of Mrs. Judy Cook's resignation as secretary of the club, due to health reasons. No new secretary was named.

Misses on Greece and Turkey.

Trippers will have an opportunity to sign up for the July Cookout at Shady Lane, for the Eastern Trip in September, and the Alaskan Adventure in September. Last call on the Alaskan Adventure!

Gary Anderson, president, invites the public.

Mrs. Richard Finley took the notes.

Mrs. Milton Lazansky reported that only five ladies out of the 18 who signed up to visit Great Lakes went. Her husband went along to help distribute the food. The ladies passed out model car kits and other novelties.

They discussed having a dance for Teenagers some time during the summer.

Mrs. Ernest Garcia reported that the Intermediate, Central and B. J. Hooper Schools are setting up libraries. Mrs. Buckner will be the head librarian.

Help from anyone would be appreciated. Contact Mrs. Garcia at B. J. Hooper School during the day.

VACATION

Mr. and Mrs. Ron (June) Kaufmann, 605 Parma Drive, Venetian Village, spent two weeks traveling to California, stopping along the way at Merimac Cavern, Grand Canyon, Hoover Dam and Las Vegas, covering 4600 miles. They stayed with June's sister, Connie for five days in Santa Ana, Calif. They enjoyed the wax museum when they visited Disneyland.

BIRTHDAYS

A very happy birthday is wished to Pat Rieck, Sylvia Rauscia, John Kasperski, Bridie Gibbons, June Simicek, Melanie Mohar, James Alfred Jilly, Glenn David Flanagan, George Lance, Mike Tumminello, and Joyce Caroline Landt.

ANNIVERSARIES

Our congratulations to Bob and Joy Manuel on their 10 wedding anniversary June 18. Tom and Lorie Anderson will be married 6 years on June 20. Claude and Marie Anderson will celebrate their 13th anniversary on June 22. Gene and Marlyn Biaggi celebrate their 28 on June 21; June and Frank Simicek, their 28th on June 19; Joe and Josephine Panek, their 30th on June 22. And Bob and Sharon Bunkelmann will be celebrating their 13th, also on June 22. Walter and Josephine Von Soester, their 32nd on June 23. Walter and Mary Kay Vandernald, Jr., celebrate their third anniversary on June 24. June 18 was the 38th anniversary of Roy and Evelyn Jacobs.

RECEIVES AWARD

Richard Wolff, 2301 E. Green Briar, Lindenhurst, was awarded a certificate of commendation for his performance from April 1, 1969 to March 31, 1970. He is district director of Navy Publications and Printing Service Office, Great Lakes.

ENGAGED

Miss Donna Anderson, daughter of Mr. and Mrs. Donald Anderson of 2100 E. Burr Oak Lane, is planning a September 1971 wedding to Michael Robison, son of Mr. and Mrs. Charles Robison, 2314 E. Rolling Ridge Lane.

Miss Anderson is employed as a supervisor of ROTC affairs at Fort Sheridan. Her fiancé is an employee of O. T. Knutson and Associates. They are both graduates of Antioch High School.

State Bar Sets Up Legal Aid

The Illinois State Bar Association launched a new public service program June 1 designed to make legal services more readily available to individuals and families in Illinois. Henry L. Pitts, Chicago, ISBA President, has announced.

Pitts said the new program, the Illinois Lawyer Referral Service, will make it much easier for citizens in more than 85 counties not presently served by any lawyer referral office to be able to contact a lawyer.

The ISBA President pointed out a "definite need" for the program. "There are more than 3 million people in these counties who do not have the benefit of a local lawyer referral system of their own," he said.

He said a direct telephone line has been installed at ISBA headquarters in Springfield which can be dialed free from anywhere in Illinois. "The Illinois Lawyer Referral Service number is 800-252-1916, which also can be obtained by dialing information," he said.

When a person dials this number, the Lawyer Referral Service receptionist will refer him to a lawyer in his own community or area who will then arrange for an office conference at a time suitable to the caller, Pitts said.

"The charge for the conference, which is limited to 30 minutes, will be no more than \$10," Pitts added.

The new service is especially designed to help individuals who can afford the services of a lawyer, the ISBA President said. "The fee for any additional legal services following the first conference will be the lawyer's usual charge," Pitts said. "The client himself makes the decision as to whether he should consult the lawyer a second time after the initial conference."

Pitts said that any lawyer participating in the program will be happy to give his new client an estimate of what any subsequent fee will be.

The new ISBA public service program is the first major statewide lawyer referral plan to be established in the nation.

Pitts said that one of the principal objectives of the program is to help people solve their legal problems before they lead to expensive litigation in court. "Early action to solve a problem can often result in avoiding costly litigation," he added.

The ISBA President said that many persons are reluctant to contact a lawyer because they are not sure their problems are legal problems. "The Lawyer Referral Service office or the lawyer a person is referred to will settle this matter by telling the person whether his problem can be settled by legal means," Pitts stated.

"Some individuals also are

Diver Raps Coulson

Jeffrey R. Diver, independent Democratic candidate for State Senator, 31st District, today accused his opponent of "misleading the public by misrepresenting his position on the subject of state support for mass transportation."

Diver went on to say, "My opponent, Robert Coulson, in a recent television interview, spoke against support of the Chicago Transit Authority through state purchase of CTA bonds. In a cynical appeal to Lake County voters, who are justifiably enraged about the prospect of financing the CTA with state funds, Coulson said he would vote against any bill involving state underwriting or purchase of CTA bonds."

This position is nothing less than fraudulent, for it was Coulson who originally proposed the bond purchase plan. During the early spring of this year, Coulson chaired a state Senate subcommittee, investigating the plight of the CTA. At the conclusion of hearings, the Chicago Sun Times (April 23, 1970; p. 8) reported:

"Robert Coulson said he is op-

hesitant about contacting a lawyer because they don't know any lawyer personally or they are hesitant because they have never before contacted a lawyer," Pitts added. "It is an unfamiliar road."

The Lawyer Referral Service is designed to remove those obstacles, the ISBA President said.

Pitts said the ISBA Board of Governors approved the Lawyer Referral Lawyer Plan at a meeting last fall in Carbondale. Under the plan, only those geographical areas in Illinois which do not presently have a lawyer referral system will be served by the new Illinois Lawyer Referral Service.

He said that the ISBA will operate the service at no cost to the public. "The system will be maintained by the lawyers who serve on the lawyer referral panels, through annual membership dues," Pitts said.

Pitts said that a file of participating lawyers will be kept by the Lawyer Referral Office. The names of participating lawyers will be rotated each time a referral is made in a particular geographical area so that each lawyer will be given equal or nearly equal numbers of referrals, he said.

Hoffman Wins Degree

Russell Hoffman, of Rte. 1, Box 504, Antioch, and Harlan Ware, of 586 Parkway Ave., Antioch, received degrees from Roosevelt University in ceremonies conducted there on Sunday, June 7.

THE ANTIOCH NEWS-5

THURSDAY, JUNE 18, 1970

timistic the governor will support his plan to have the state buy up three-sevenths of the outstanding CTA bonds.

"As there are \$62 million in outstanding bonds, Coulson's plan would have resulted in a state contribution of more than \$26 million to the CTA."

"While my opponent expresses such concern over the future of the CTA, he is silent about Lake County mass transit problems. He said nothing about the recent fare increase for commuters on the Chicago and North Western. He proposed nothing in the way of assistance to our sagging transportation systems. The Waukegan-North Chicago transit system receives annual subsidies from local government, but nothing from the state. When the very existence of the Waukegan-North Chicago transit system was threatened by loss of the license for service to O'Hare Field, my opponent was mute."

DROP THAT GUN!

The Towanda, Kansas, Times says: "There's a wrinkle in the 1968 federal gun control law which you should know about! If you move out of state permanently—and not just on a hunting trip—you cannot transport your guns across state lines in your personal car without being in violation of the gun law. You may, however, consign your guns to a common carrier moving your household goods. If your commercial mover will not accept guns, you can turn them over to a dealer in the state where you are moving. But don't transport your personal guns in your personal car across state lines to your new residence. That's a federal no-no."

It's easy to place a classified—Just dial 395-4111.

NEW DISPOSABLE NURSER PERMITS "TERMINAL" STERILIZING

Newest invention in the long line of disposable items which make life easier to live is the Bottle Bag Nurser, announced recently by the Curly Division of the Kendall Company.

The unique feature of the new disposable nurser, which makes it of interest to millions of young mothers, is that it can be safely boiled. Thus, the "terminal" method of formula sterilization can be used, for the first time, with a disposable nursing bottle.

Until the new Curly nurser was developed, mothers who wished to take advantage of disposable nursing bottles were forced to sterilize all elements of the formula separately, and then carefully and hygienically assemble them before baby could be fed.

Now, the tough plastic of the new nurser permits the easier terminal method, in which the formula is poured into the bottle, the nipple is applied, and the entire unit is sterilized at once. This is the method used in almost 90 percent of the hospitals in the United States.

No More "Air-Swallowing" The new nurser comes with a plastic holder which fits all standard sterilizers. Also part of the package is the famed Curly "Rib Nipple," designed to sharply reduce the possibility of air-swallowing by hungry babies. One-shape, the nipple fills the corners of baby's mouth, the source of much air-swallowing, and contains hollow side ribs which insure against biting the nipple shut. Virtually guaranteeing against air-swallowing is the use of this nipple together with the collapsing Bag Nurser, which itself does not permit air to be drawn inside and then swallowed by baby.

Despite the obvious advantages, not very many American mothers have used the disposable nurser already on the market. The reason they did not was the impossibility of using the easier "terminal" sterilizing technique. Now, the new bottle bag nurser has removed this major barrier and permitted a major breakthrough in baby feeding. The convenience of disposability, combined with the ease and safety of terminal sterilizing, plus the elimination of air-swallowing, now make this nurser ideal for both mother and baby.

Co-Op Clubs Meeting Set

The Co-Op Needlecraft Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington St., (in the basement of the Co-Op Food Center) in Waukegan on Monday, June 22nd, at 7:00 p.m.

Project for the evening will be the making of a Knitting Needle Case. Each one should bring two pieces of material—one plain and one printed—measuring 18"x36". Also bring one yard of rickrack or bias tape, one yard of ribbon for ties, and two pairs of snaps.

Mrs. Anna Latz will direct the project and will have instructions with her at the meeting.

Mrs. Mary Gunn, president, invites the public to attend.

The Co-Op Travel Club will hold its regular monthly meeting in Pioneer Hall, on Tuesday, June 23, at 7:30 p.m.

The program will be colored

The Antioch News, Inc.
966 Victoria Street, Antioch, Illinois

Antioch Little League

On May 24, opening day, it was a beautiful day. The first game was the Yanks vs. Cubs. It was a real pitcher's duel, but the Yanks came out on the bottom with Mitch Witt pitching a one-hitter.

The final count was Cubs 3 runs, 7 hits and 2 errors, the Yanks 0 runs, 1 hit no errors.

Winner, Witt; loser, Tossey. In the second game of May 24, it was the Sox vs. Tigers. The Sox were just not ready for the season to begin because they fell victims to a 12 to 0 win by the Tigers.

Winning pitcher Tom Gutowski; loser Sheedlo. Totals: Sox no runs, 3 hits, 4 errors. Tigers, 12 runs, 9 hits, 0 errors.

On May 25 the Giants defeated the Dodgers. It was a close game until the top of the 6th when the Giants scored 6 runs.

Then the Dodgers were behind 5 runs and were unable to recover. The Dodgers had 7 runs on 7 hits and 3 errors. The Giants had 10 runs on 8 hits and 2 errors. The winning pitcher was Bogaerts and the losing pitcher was Houghton.

The second game played on May 25 was a tie at the end of 6 innings and will be played off later.

On May 28 Deboer led the Dodgers to a 13 to 1 victory over the Cards whose only run was finally scored in the fifth inning. Deboer held them to only 4 hits as opposed to the Dodgers' 10 hits.

The final was the Dodgers 13 runs, 10 hits and 4 errors and the Cards 1 run, 4 hits and 3 errors. The winning pitcher was Deboer and Seitzer was the losing pitcher.

The Pirates played the Giants in the second game on May 28. The Giants came out on top with a score of 13 to 4. The Pirates had 6 hits while the Giants had 11. The final was the Giants 13 runs, 11 hits, and 5 errors, and the Pirates 4 runs, 6 hits and 8 errors. Isaacson was the winning pitcher and the losing pitcher was Stout.

On June 4 the Giants upset the Yanks. Bogaerts, the Giants' pitcher, pitched a one-hitter. Tossey got the Yankees' only hit which wasn't until the 5th inning. The Giants earned 5 hits off of the Yanks' pitcher. The final score was Giants 3 runs, 5 hits, and 2 errors, and the Yanks 1 run, 1 hit and 3 errors. Bogaerts was the winning pitcher and the losing pitcher was Warner.

The Sox and Cards played the second game. The Cards were defeated at a score of 10 to 3. The Sox earned 10 runs on 5 hits and had one error. The Cards ended up with 3 runs on 4 hits and had 5 errors. The winning pitcher was Boarini and Reckers was the losing pitcher.

On June 5 the Tigers were upset by the Dodgers in a close game with a score of 8 to 7. There were home runs on both teams. Cash hit one for the Dodgers in the 3rd inning and Francke hit one for the Tigers in the 6th. The final was the Dodgers 8 runs on 10 hits with 6 errors and the Tigers 7 runs on 6 hits with 7 errors. Deboer was the winning pitcher and the losing pitcher was T. Gutowski.

The Cubs and Pirates played in the second game on June 5. The Cubs lost with a score of 6 to 2. The final was the Pirates 6 runs on 7 hits with 1 error and the Cubs 2 runs on 5 hits with no errors. The winning pitcher was Grego and Cermak was the losing pitcher.

On June 6 the Dodgers belted the Cubs with a score of 22 to 11 in a make-up game. The Cubs committed 10 errors. Edwards hit a home run in the first inning with 2 men on base. The final was the Dodgers 22 runs on 9 hits with 2 errors and the Cubs 11 runs on 10 hits with 10 errors. The winning pitcher was Shepard and John Christiansen was the losing pitcher.

On June 8 the Pirates played the Yankees. The Pirates were defeated. Warner hit a two run homer for the Yanks in the 3rd

inning. Wurster hit one for the Pirates in the 6th.

The final count was the Yanks 6 runs, 8 hits and 2 errors, and the Pirates 3 runs, 3 hits, and 3 errors.

Tossey was the winning pitcher and Stout was the losing pitcher. In the second game on June 8 the Dodgers met the Sox. The Dodgers got only 3 hits off the Sox. As a result they obtained 3 runs as opposed by the Sox (total of 6 runs).

The final score was the Sox 6 runs, 6 hits, and 3 errors, and the Dodgers 3 runs, 3 hits and 2 errors. The winning pitcher was Sheedlo and Houghton was the losing pitcher.

On June 9 the Tigers played the Cardinals in the first game. The Cards couldn't handle the Tigers, as the Tigers scored 14 runs and the Cards 6 runs.

Franke hit a home run in the 4th inning for the Tigers and Parker hit a two run homer for the Cards in the 4th inning.

The final score was the Tigers 14 runs, 11 hits, 3 errors, and the Cards 6 runs, 6 hits and 6 errors. Stickler was the winning pitcher and Parker was the losing pitcher.

The second game on June 9 was between the Giants and the Cubs.

The Cubs won it with a score of 10 to 6. Mitch Witt hit a two run homer for the Cubs in the 3rd inning.

The final was the Cubs 10 runs, 4 hits, 3 errors and the Giants 6 runs, 5 hits and 5 errors.

Mitch Witt was the winning pitcher and Isaacson was the losing pitcher.

On June 11 the Sox and Yanks played in the first game.

Gary Holt hit a two run homer in the 2nd inning. It was a close game, but the Yanks won it 6-5. The final score was the Yanks 6 runs, 5 hits, 6 errors, and the Sox 5 runs, 5 hits, 4 errors.

The winning pitcher was Warner and Borini was the losing pitcher.

The second game was played between the Pirates and the Dodgers.

The Pirates won, 9 to 8, with the help of a grand slam in the fifth inning by Eslinger. Cash hit a 3 run homer for the Dodgers in the 2nd inning.

The final score was the Pirates 9 runs, 3 hits, 3 errors, and the Dodgers 8 runs, 5 hits and 6 errors.

Greco was the winning pitcher and Sheppard was the losing pitcher.

On June 13 the Giants played the Cards. The Giants won it easily with a score of 10 to 2. It was close through the 3rd inning, but then the Giants came alive to have two 3 run innings and one 4 run inning.

The final count was the Giants 10 runs, 7 hits, 1 error and the Cards 2 runs, 3 hits, 7 errors. Bogaerts was the winning pitcher and Reckers was the losing pitcher.

Harris Has Fast Time At Rockford

ROCKFORD, Ill., June 12—The Interstate Racing Association of Super modified stock cars headed by 1969 Champion Al Schill and three time Champion Whitey Harris, blazed over the Rockford Speedway hi-banked asphalt oval in some of the fastest qualifying of the season and then it rained.

Harris, driving the #13 modified stock car formerly driven at Rockford by Johnny Reimer, set the fastest time in the qualifying with a low mark of 14.68 seconds. Harris has won two IRA features in the 1970 season of racing so far at Wilmot and Lake Geneva and was eager to get his first Illinois win. "Setting second fastest time was Jim Bozeman of Waukegan who drove the first winged car ever to race on the Rockford Speedway." His time was 14.70 seconds and proved that this new type super is going to be competition this season. Third fastest was Tom Anderson of Lake Villa with a 14.78 and then Al Schill with a 14.97.

A return date to the Rockford Speedway for the supers is under consideration between Speedway President Hugh Deery and Al Davidson, President of IRA.

Major Whips Young

Carl Major of Chicago snapped Ray Young's feature win streak at four Saturday night at the Waukegan Speedway by besting the Dolton speedster in the 100 lap June Championship race.

The feature win for Major was the first of his Waukegan career and came after a frustrating pair of features last weekend. Major held the feature lead on both Saturday and Sunday last weekend only to be forced out while leading by a flat tire and the loss of oil pressure.

The evening was full of excitement starting with Elmer Musgrave of Mundelein coming out of "semi-retirement" to hold off Jim Cossman of Waukegan and Carl Major to win the six lap trophy dash for the six fastest qualifiers. Mick Lincoln of Waukegan passed Delain Dolos of Kenosha in the last lap to win the first late model heat race. Lee Schuler of Lockport and Bob May of Gurnee won the other two heats.

At the end of the first five laps, the leaders in order were Major, May, Schuler, Young and Musgrave. Young passed Schuler in the next lap and then closed in on May during a yellow flag period in the 13th lap when Lincoln spun and bounced off the pit wall.

Young took second in the 17th lap with Schuler and Musgrave right behind.

By the 35th lap Major had a ten car-length with Young and Schuler running nose-to-tail for second and Musgrave and May racing likewise for the fourth.

Major bobbed slightly in the 57th lap skidding high in the pit turn, but he recovered to maintain his lead over Young. In the closing laps Major was unofficially clocked running numerous laps under the one lap qualifying record; however his time of 29 minutes 48.69 seconds for the race was off the record due to the yellow flag periods.

The hobby stock division provided fans with more than their normal amount of thrills as a large field was on hand.

Bodle Signs Contract With Rifles

The Lake County Rifles have signed fullback Bill Bodle to a 1970 contract. Bodle was the leading ground gainer in the Central States Football League in 1966, '67 and '68. He was presented the league's most valuable player award for his performance in 1968 season.

Bodle was an outstanding high school performer in Highland Park, playing 4 years collegiate ball at the University of Pittsburgh and was a draft selection of the Washington Redskins.

In the 1969 season Bodle sustained a knee injury in the first league game and did not play for the remainder of the season. During his past tenure with the Rifles, Bodle amassed over 3,000 (Continued on page seven)

Wirth Goes Route

The first two games of the season were rained out but the weatherman gave his blessings for the balance of the first two weeks of baseball.

On June 3rd Jim Wirth went the route for the Advertisers to pitch an 18-7 victory over the State Bank of Antioch expansion team. The frosting was put on the cake when pitcher Wirth hit a grand slam home run. Greg Weber was the losing pitcher.

June 4th with Tim Mieuire on the mound for the Shure-Fire Heating team took a close victory over the Dairy Queen with a 3-2 final score. Amundsen was the losing pitcher.

June 5th brought another close game between the Antioch Drugs and Shure-Fire Heating. The Antioch Drugs took the edge in the last inning when Pete Laursen, the starting pitcher, tired and was relieved by Dennis Deber who allowed the winning run to cross the plate to give the Drugs an 11-10 victory. Maras was the winning pitcher and Deboer was the loser.

On June 8th the Antioch Drugs with Maras again on the mound defeated the State Bank expansion team 25-13. Klean was the losing pitcher. Maras and Mike Guilfoyle both had 4 hits apiece, with one of Guilfoyle's being a homerun.

June 9th brought another victory for the Shure-Fire team behind the 1 hit shut out game, pitching of Tim Mieuire. Tim connected with 4 hits out of 5 times at bat. The final score was 16-0. The losing pitcher was Howie Warsing who also collected the lone hit for the Advertisers.

The Antioch Drugs came through again with a victory on June 10th with a no-hitter pitched by Yarry Pawlawski. A home run by Gordon Silanoff, one of the top hitters in the league was a highlight of the game. The final score was 15-3 with Bud Newton the losing pitcher.

June 11th, Shure-Fire Heating defeated the State Bank team 18-12 with Pete Laursen the winning hurler and Dan Mahor the losing pitcher. Scott Stickler hit a home run for Shure-Fire Heating.

Weather Halts Feature

A severe thunderstorm around 6 p.m. Friday forced the postponement of the special semi-late model and demolition program at the Waukegan Speedway. This card of races has been rescheduled for Friday night, June 26.

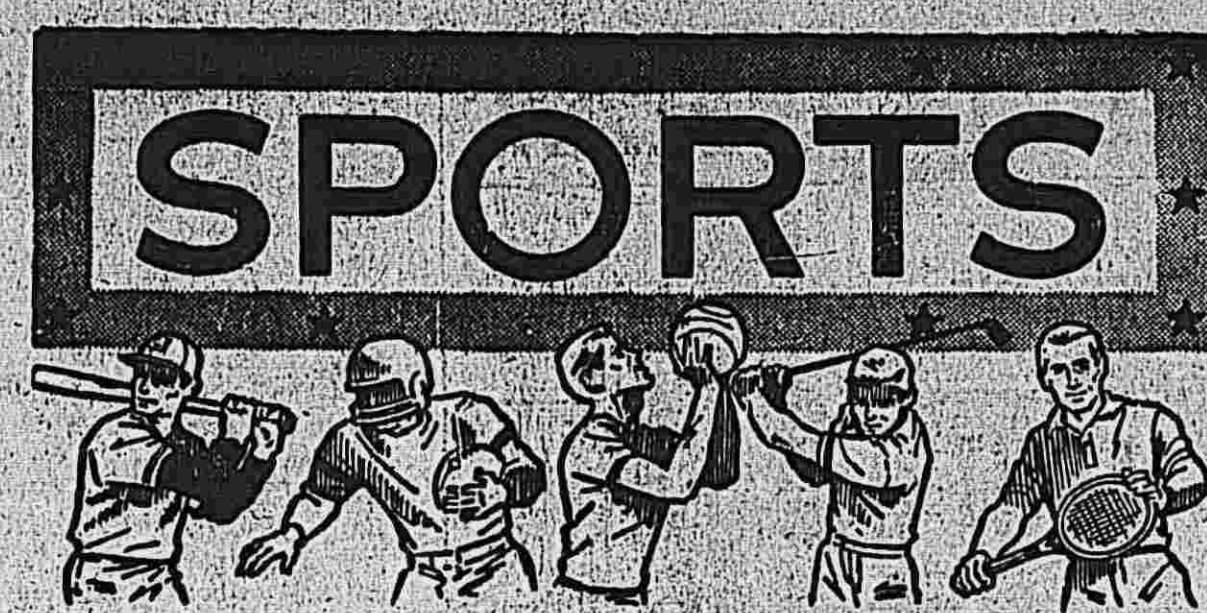

Track officials noted a high interest in this special night of racing which is open to hobby stock and sportsman type cars and a large field should be on hand for the raindate. On the same bill will be the first head-on demolition derby in two years at the Speedway and a powder puff derby for the women.

Next Friday night, June 19, the modified stock cars will attempt to make their second appearance of the season at the Waukegan track. They first raced on April 24 with Chuck Acheson of Milwaukee winning the 50 lap main, but their second scheduled program on May 29 fell victim to the weather. That night also included a 50 lap main, so that 50 lap race will be made up on this Friday's schedule.

The modified "stock" cars are also scheduled to run again at the Waukegan Speedway on Friday night, July 3. The hobby stock division will race on both of those nights, also.

Another special attraction which is always a crowd pleaser will be the annual appearance of the world famous Jole Chitwood Auto Thrill Show on Wednesday night, June 24. Joining the Chitwood team at Waukegan will be Mike and Lou Siplot who are billed as the world's youngest race drivers.

The Chitwood Show features some of the nation's top stunt drivers in precision driving exhibitions including ramp-to-ramp jumps and two wheel driving. Also several older cars will be making their final runs as the Chitwood crew will completely demolish them by rolling them over and leaving off ramps in planned crashes.

THURSDAY, JUNE 18, 1970

THE ANTIOCH NEWS-6

Major Wins Two In Row

Carl Major of Chicago made it two features in a row Sunday at the Waukegan Speedway as he beat Jim Cossman of Waukegan and Tom Jones of Northbrook in a foggy 30 lap feature. Point leader Ray Young of Dolton received a severe shaking in a violent crash into the wall in the 10th lap of the main.

Zion's racing grandmother, Cora Morton, led the final seven laps in the hobby feature to best defending champion Tom Reuss.

Thrill Show Set For Speedway

The 1970 Jole Chitwood Thrill Show is scheduled to appear at the Waukegan Speedway at 8 p.m. Wednesday, June 24.

Jole Chitwood, the famed thrill show impresario, has had more accidents on purpose than a couple of thousand people have had by mistake. Chitwood arranges accidents, the kind that leave thrill fans on the edge of their seats from the beginning to the end of the world-famous Jole Chitwood Thrill Show.

A versatile auto racing star in his younger days, Chitwood feels thrill show driving is more hazardous than speedway competition.

A three-time AAA dirt track point champion and a nine-time entry in the Indianapolis 500, the Chitwood, Cherokee now devotes his full efforts to directing and perfecting the stunts which make his show the finest anywhere in the world.

The Chitwood Show has been seen from coast to coast in the 21 years Jole has been at the helm and he never fails to come up with a new twist to make his show more exciting.

But Jole knows that speed and daring belong on the speedway. "The stunts we do," he said, "are different enough even for professionals." He urges fans to "watch them and enjoy them but don't try them."

When you are in the thrill show business, safety becomes a prime requisite for staying in business. Those who risk their lives know the value of avoiding unnecessary chances. If their timing is off just a split second, there could be big trouble.

But they have an advantage over the man on the highway. They know they're headed for an accident! And they know what to do to help themselves. That is why Chitwood urges that everyone "drive safely on the highways."

This year's thrill show is "the greatest I've ever assembled," Chitwood says. And he has had some really great ones!

Harris Wins At Wilmot

The Wisconsin State High School Baseball Champions returned to Wilmot Saturday night and were greeted by a huge reception at the Kenosha County Speedway where Whitey Harris, Lake Villa, had just won the 30 lap modified stock car feature. It was Harris' second straight win at Wilmot and his third in IRA competition for the season.

Four time Champion Roger Otto of Burlington, led at the start but on the 6th lap Bill Bohn, Kenosha, charged into the lead. Harris was 11th at this point and started picking his way through the fast traffic. At the end of 10 laps he was 8th, 4th at 20 laps and took the lead on the 24th lap. All but one of the 16 starting cars were running at the finish. Al Schill spun on the 19th lap and retired.

A thrilling 15 lap semi-feature race was won by Paul Cameron, Round Lake who also won a heat (Continued on page seven)

of Wildwood by just a car-length at the finish.

Young's crash came in the 10th lap of the feature as he was running third right behind Bob Roper of Chicago.

Young crawled from the car under his own power, but was held in the ambulance for a few minutes to catch his breath and to have a bruised wrist checked.

Bob Roper passed Ray Bush of Silver Lake in the first lap for the feature lead. In the second lap Bob Anzinger of McHenry took the lead, but one lap later he and Roper collided in the third turn with Anzinger spinning. Roper slowing down and Major shooting into the lead.

From that point Major opened up a commanding lead, and just like the second race, he was not to be beaten.

By the 20th lap Roper and Cossman were bumper-to-bumper, and finally in the 28th lap Cossman took second with Jones moving up for third in the next lap. Roper finished fourth in front of Bob Delaney of Roselle.

Cora Morton took the hobby stock feature lead after early leader Nick Peters of Zion and Nick Cordonnier of Zion tangled.

Mrs. Morton almost didn't get to drive in Sunday's races as her Thunderbird lost a wheel in practice laps. Her husband Bob and the rest of the pit crew worked

very hard to hurry back to their garage in Zion to pick-up a replacement spindle and then repair the car at the track in time for her heat race. She ran second in that until the last lap and finished 9th.

Quarterback Club To Give Vets Night Out

The Lake County Rifles Quarterback Club today announced that they will underwrite a night-out at the Rifles-Race Raiders exhibition football game for a busload of recuperating veterans from the Great Lakes Naval Hospital.

Club president, Ray O'Brien of Libertyville, said that arrangements for the outing, scheduled for August 1st, had been completed with Chris Burns, business manager of the Rifles.

The Quarterback Club conducts the bus trips for Rifles fans to road games at other league cities. "This one," O'Brien said, "is on the house."

Other county-based civic organizations who may be interested in sponsoring similar trips should contact the Lake County Rifles office at 362-8050.

LEGAL NOTICE

Antioch Township Library Board
Antioch, Illinois

We have examined the balance sheet (arising from cash transactions) of the
ANTIOCH TOWNSHIP LIBRARY
as of January 31, 1970, and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accord-

ingly, included such tests of the accounting records and such other auditing procedures as we considered necessary.
In our opinion, the attached statements present fairly the financial position of January 31, 1970, arising from cash transactions and the related receipts and disbursements for the year then ended of the **ANTIOCH TOWNSHIP LIBRARY** in accordance with generally accepted accounting principles applied to municipalities on a basis consistent with that of the preceding year.

Yours very truly,
NORMAN S. JEDELE
Certified Public Accountant

FUNERAL NOTICES

MARY I. HANLON

Mary I. Hanlon, 103, a member of one of Antioch's pioneer families, died May 30 in St. Anthony's Home, Moosejaw, Saskatchewan.

Mrs. Hanlon was born in Antioch and married Alexander Hanlon in 1888. They lived in Antioch for eight years before moving to Canada.

She is survived by her children, Mrs. Ruth Strahan, of Rogers, Ill., Belle Pedersen, Waukegan, Mrs. Edith Grant, Toronto, Canada, John Hanlon, Briarcrest, Sask., and Ellwood Hanlon of Moosejaw. There are also 17 grandchildren, 25 great grandchildren and two great-great grandchildren, surviving.

Services were held in Moosejaw.

MICHAEL SIMONSEN

Michael Simonsen, 12 years old of Cross Lake near Antioch, passed away at 3:30 a.m. on Tuesday, June 16th, at Victory Memorial Hospital, after a brief illness.

He was born Feb. 5, 1958 in Waukegan and had lived three

Five From Antioch Area Win Degrees

Five Antioch area students received degrees on Sunday, May 31, from MacMurray College, Jacksonville, Ill.

They included Dolores J. A. Finley, daughter of Mr. and Mrs. C. L. Anderson, Rte. 1, Antioch; James L. Sorensen, son of Mr. and Mrs. Leslie W. Sorensen, 272 Chestnut St., Antioch; Jean E. Bywell, daughter of Dr. and Mrs. Arthur W. Bywell, 1903 East Lincoln Ave., Lake Villa; Lawrence B. Mateja, son of Mr. and Mrs. John Mateja, of 1901 E. Longmeadow Drive, Lindenhurst; and Melodie A. Mayne, daughter of Mr. and Mrs. Richard Mayne, 525 Greentree Road, Wildwood.

Public Aid Rolls Up In March

Illinois public aid rolls reached 611,823 in March, an increase of 12,340 over the previous month and 74,793 higher than a year ago.

Public Aid Director Harold O. Swank said that all programs increased except blind assistance which decreased slightly. The net monthly gain of 12,340 reflects a decrease of 1053 persons in 36 counties and an increase of 13,393 in 66 counties. Cook County accounted for 75.7 per cent of the total state increase.

Total expenditures were \$52,674,775, an increase of \$2,249,510 over February and an increase of \$7,289,892 over March 1969. Current expenditures include \$349,949 in payments for foster care, aid to the medically indigent in Chicago and Cicero, and burials.

The March caseload included 464,479 persons on assistance to the aged, blind, or disabled and aid to dependent children receiving money grants and eligible for medical care; 61,281 eligible for medical assistance only, and 86,063 on general assistance. Respective figures for February were 455,241, 60,510 and 83,932; and for March 1969, 405,183, 60,054 and 71,613.

The 61,281 persons eligible for medical assistance only, up 971 over February, are included in the trends of the individual programs which follow. The March cost was \$7,389,269.

The aid to dependent children program, served 408,283 persons in March, an increase of 9230 over February and 53,000 higher than in March 1969. Of the total ADC increase in March, Cook County accounted for 54.6 per cent, or 5038 persons. Expenditures were \$28,040,450 in March, an average of \$68.68 per person; \$26,960,990 in February; \$21,859,470 in March 1969.

Old age assistance helped 65,486 persons, 269 more than in February and 1968 more than a year ago. Expenditures in March were \$8,147,862, an average of \$124.42; \$7,839,349 in February; and \$10,020,411 in March 1969. Blind assistance numbered 1969 persons in March, down 5 from the previous month and 30 less than a year ago. Expenditures were \$291,001 in March, an average of \$147.79 per person; \$286,110 in February; and \$271,496 a year ago.

The disability assistance program in March rose by 715 persons to 50,022. The March 1969 total was 44,437. Expenditures in March were \$9,408,826, an average of \$188.09 per person; \$8,801,794 in February; and \$7,572,244 in March 1969.

General assistance—all units—was received by 86,063 persons, up 2131 over February and 14,450 more than March 1969. Expenditures in March were \$6,436,687, an average of \$74.79 per person; \$6,120,003 the previous month; and \$5,040,472 a year ago.

years at Lake Villa before moving to the Antioch area. He had graduated from the 6th grade of Salem Grade School, and was a member of the Salem Boy Scout Troop No. 28.

He is survived by his parents, Edward and Lois Simonsen of Antioch, one brother, Gerald Simonsen, at home, his maternal grandparents, Victor and Evelyn Hand, Buffalo, N. Y., and his paternal grandmother, Mrs. Bessie Simonsen, of Lake Villa.

Funeral services will be held at 1:30 p.m. Thursday (today) at the Strang Funeral Home in Antioch. Rev. Ray Kotwicki of the Salem Methodist Church will officiate. Interment will be in Salem Mound Cemetery near Silver Lake, Wis. Friends called at the funeral home after 3:00 p.m. Wednesday.

Marines Sponsoring Track Meet

Going into the final lap with the finish line just ahead, now is the time to make your move.

Run over to the nearest Marine Corps recruiter to pick up an entry blank for the 3rd Annual Marine Corp League Relays to be held July 11 at Hanson Park, 5600 Fullerton, Chicago.

More than 1,000 thinclads are expected to participate in this year's meet, which is sponsored by Chicago's Detachment No. 1, Marine Corps League, and sanctioned by the Central Association of the AAU.

Cutoff date for the seven hour meet is midnight Wednesday, July 8, and all entries must be mailed to William Kass, Meet Director, USMC-RS, 536 South Clark Street, Chicago, 60605.

Registration is open to all ages with participants competing in one of five divisions. The five divisions are: School Division for boys and girls 12 and under; Junior Division for boys and girls 13 to 15; Intermediate Division for men 16 and 17; and the Senior Division for men 18 and over, and 16 and over for women.

Awards will be given out in three categories: Winners of first, second and third place in each event will receive an individual award; School, Junior and Intermediate Division winners receive individual plaques; and Olympic style medals will be given in the Senior Division. Trophies will also be presented to the championship teams in each division.

A reminder to all tracksters that the deadline for all entry blanks is midnight July 8. Entry blanks may be obtained at all Marine Corps Recruiting Stations, or by calling (312) 353-6575. There is no entry fee and the public is invited to attend at no charge.

Bodle Signs...

(Continued from page six)
yards rushing. He was also 5th in the league for pass reception in the '68 season with over 600 yards in receptions. If Bodle's knee is sound he'll prove plenty of trouble for the Rifles' opposition.

A Rifles' rookie meeting is being held this week. Player Personnel Director Jim Scully announced that some 100 invitations had been sent out to prospective newcomers.

Practice for the rookies is scheduled to get underway June 29th at Carmel High School field in Mundelein. General Manager Bob Amann has stated, anyone still wishing to try out for the ball club is urged to contact the Lake County Rifles office in Libertyville at 362-8050.

Harris Wins...

(Continued from page six)
race. This race had two restarts. The first when two cars locked up against the fourth turn wall. On the restart, Ken Monroe was behind leader Ron Larson, Kenosha, with Ray Faulkner, Libertyville, and Cameton next. Faulkner and Monroe raced side by side until on the 8th lap, as they entered the third turn, Monroe became airborne and sailed upright 30 feet off the track. The car landed on its wheel and Monroe was not injured, but the car suffered some minor damage.

Tom Anderson, Lake Villa, set fast time of 18.75 seconds on the heavy track slowed by severe rains on the night before.

In the Sportsman Division, Jim Boehles, Frankville, continued to make his undefeated sweep of events. This time, however, he never led until the last lap when he passed Tom Teske. Dale Erdman, Milwaukee, was a double winner as he won the semi-feature and his heat.

The IRA Supers of the Sevens face a busy schedule this week starting with Raceway Park in Blue Island on Wednesday; Waukegan Speedway on Friday and return to Wilmet and Lake Geneva on Saturday and Sunday. Harris continues to lead in point standings with Otto 2nd and Bill Bohn now 3rd.

RED CROSS PLEA

The American Red Cross has asked the world's Red Cross societies to form a solid front in demanding that North Vietnam meet humanitarian standards in the treatment of American prisoners. It pledged that the ARC would "pursue without interruption or abatement every effort to bring about humane treatment of prisoners of war to which they are entitled under the state laws of international law and the dictates of moral decency." Individual citizens can aid by asking their congressmen to support such demands now.

THE ANTIOCH NEWS—2

Celebrate 22nd Year Of Air Force Women

On June 12, 1970 Women in the Air Force commemorated their 22nd year as an integral part of the Air Force.

The history of WAF actually began in World War II when members of the Women's Army Auxiliary Corps (WAAC), which later became the Women's Army Corps (WAC), were assigned for duty with the Army Air Corps Air Forces.

During the war years, approximately 50 per cent of the Air WACS held administrative and clerical jobs. The other half included radio operators, weather observers, medical specialists, intelligence analysts and photo laboratory technicians. The Air Force today has expanded the role of women and now offer over 250 different jobs to young women who join the Air Force.

WAF compete with men and women in the Air Force for promotion in each of the airman and officer grades. There are currently 1,067 WAF officers and 8,465 enlisted women. Plans are in the making to increase the strength of officers to 1,500 and enlisted WAF to 14,000 by the mid-seventies. Why this growth in the WAF program? First, to support the President's desire for a truly volunteer force and, second, to provide equal opportunities for women volunteers to serve their country.

When the Air Force became a separate branch of the Service in September 1947 most of the former "Air WACS" became the first WAF. Today, local Air Force Recruiters are contacting hundreds of young ladies in the local communities to tell them about the benefits offered by the Air Force to young high school and college graduate women. Education, training are the most popular motives for young women to join the Air Force. Travel and the chance to meet new and interesting people provides a good solid opportunity program for the Air Force Recruiter to offer women.

The next world wide celebration of the WAF anniversary is scheduled for 1973—the 25th anniversary.

Carnival Time At Lamb's Farm

It's Family Rambling Carnival time. On July 8 The Women's Auxiliary of United Charities will bring Steele Amusements' 21 ride carnival to The Lamb's Farm, Libertyville. A gala family outing will be held from 3 to 11 p.m. There will be special entertainment for all ages.

Tickets can be bought singly, or by purchasing the Auxiliary's 1970 edition of the Family Rambling Book. The Book contains 20 coupons for family outings and entertainment at substantially reduced prices all during 1970. One of the coupons is good for admission to the Family Rambling Carnival on July 8, and

5 Graduate From School For Plumbers

Construction industry "hard hats" are the builders of our nation and can look back with pride on the monuments they have erected in the form of homes, apartments, schools, hospitals, and other structures, according to Waukegan Mayor Robert Sabonjian.

Mayor Sabonjian made his statement at the graduation of five apprentice plumbers from the apprenticeship school operated by the Joint Apprenticeship Committee of the Plumbing & Heating Contractors Assn. of Lake & McHenry Counties and Plumbers Union Local 93.

Receiving certificates from James DiPietro, of Deerfield, chairman of the JAC, were Albert R. Hertel, of Lake Zurich; Bruce A. Galgan, of Zion; Frederick P. Gualandri, of Highland, and John C. Fenger, of Mundelein, and William Davis, of North Chicago.

Hertel, formerly of Grayslake and second place winner in the recent state plumbing apprentice contest, was presented with a U.S. Savings Bond on behalf of the Industry Advancement Fund of the Contractors Association by Fund Trustee Gregg Streh, of Crystal Lake.

The young apprentice also received an award from Ron Short, Secretary-Treasurer of Local 93, and a watch from DiPietro on behalf of the JAC.

Edward J. Murphy, of Highland Park, who has served as secretary of the Apprenticeship Committee for more than 20 years, was presented a Certificate of Appreciation by Lester E. Koetz, of Zion, President of the Plumbing & Heating Contractors Assn.

Sabonjian complimented the apprentices on completing their five year program of classroom instruction and on the job training and added, "There has been a tendency on the part of many people and particularly parents,

Specifically, goals of the program are for participants to:

- * Develop a greater understanding and appreciation of American Heritage.
- * Learn the basic functions of government at the national level.
- * Gain an appreciation and understanding of the international aspects of citizenship.
- * Deepen their commitment to the democratic way of life.
- * Develop skills for practicing and teaching citizenship in their local 4-H clubs.

of Illinois. He received an advance certificate in school administration in 1964.

He was a grade school principal at Pesotum, Ill.; grade school principal and curriculum coordinator for grade schools and high schools in Winnebago, Ill.; and assistant superintendent for instruction at West Chicago.

The announcement of the hiring of Meyer was made by board president Milo Bailey.

to insist that everyone go to college when there is a growing need for skilled, well-trained mechanics, construction men and servicemen."

"You have worked and studied to achieve your position as journeymen plumbers and should be proud of the work you perform," Sabonjian concluded.

Master of ceremonies for the dinner held at the Swedish Glebe Club in Waukegan, was Ira Stopford of the Vocational Training Department at Waukegan High School who introduced special guests including Charles Coreoran, of the Bureau of Apprenticeship Training, U.S. Department of Labor, officers of the Association.

Approximately 940,000 servicemen were separated from military service during fiscal year 1969, according to VA's annual report.

Your Congressman Reports....

By Cong. Robert McClary

While street crimes and civil disorders are regarded by most persons as threats to our society, an even greater enemy which is striking at the foundation of our nation is organized crime.

It is estimated that a total of from \$50 billion to \$70 billion per year is derived from underworld control of (a) drug traffic, (b) illegal gambling, (c) prostitution, (d) loan sharking, and (e) numerous forms of labor and business racketeering. Indeed, one of the most fearsome developments is the increased control by organized criminals of labor unions and various legitimate business enterprises. In most cities, organized crime dominates the fields of juke box and vending machine distribution, and in some areas racketeers also control laundry services, liquor and beer distribution, night clubs, and other legitimate business activities.

Removal Of Judges From Politics Urged

Three additional organizations have endorsed efforts of the Committee for Modern Courts to remove state judges from partisan politics.

The committee is a statewide organization seeking to persuade the Illinois Constitutional Convention to provide for a merit plan of selecting judges. The convention is considering the plan of the Committee for Modern Courts to provide a nominating commission for each court district. A commission would nominate three people for each vacancy and the Governor would be required to name to the bench one of the three nominees. Under the present state constitution, a candidate for judge must be elected by and run as a member of a partisan party.

New organizations supporting efforts of the Committee for Modern Courts to remove candidates for judgeships from the pressures of partisan politics are The Lake County Crime Commission, City Club of Chicago and Illinois Society of Certified Public Accountants.

A total of 20 organizations are endorsing the program of the Committee for Modern Courts. The other groups working for court reform are: Illinois division of American Association of University Women, Better Government Association, Chicago Association of Commerce and Industry, Chicago Bar Association, Chicago Crime Commission, Chicago Junior Association of Commerce and Industry, Illinois Congress of Parents & Teachers, Illinois Council of Churches, Illinois Jaycees, Illinois Manufacturers' Association, Illinois State Bar Association, Illinois State Chamber of Commerce, Independent Voters of Illinois, League of Women Voters of Illinois, Chicago section of National Council of Negro Women, Union League Club of Chicago and Women's Bar Association of Illinois.

Forbid a child to stuff a peanut up his nose and he will stuff a peanut up his nose. Forbid an adult to read a certain book and he will read that certain book. The very denial of free choice makes choosing that much easier. For that which is titled bad must be experienced. Mankind remains a frail thing.

It's easy to place a classified—Just dial 395-4111.

On-The-Job Training Is Working

The Veterans Administration reported today that on-the-job training under veterans' rehabilitation programs to provide service officers is working well.

Administrator of Veterans Affairs Donald E. Johnson said salaries of trainees are paid by the Disabled American Veterans, supplemented by educational allowances paid under veterans' rehabilitation programs.

VA and DAV developed the plans about three years ago, when a program got under way to train a group of seriously disabled veterans.

Johnson said on the basis of this successful first effort, 30 disabled veterans were selected about a year ago to participate in another program conducted on an individual, rather than group basis.

Veterans selected generally were assigned to programs in their own areas. They receive 16 months of on-the-job training at DAV offices, and pursue related academic training as required.

The VA Administrator noted that while most of the original 30 disabled veterans are still in training, five have already completed the course and are employed full-time.

Others are expected to complete training and become DAV national service officers within the next few months.

Johnson said the "exceptionally low" drop-out rate of disabled veteran trainees was a reflection of individual determination to complete the training, despite severe disabilities.

To place a Sports Item Call 395-4111

The new law also would prohibit the investment of income from "racketeering activities" in acquiring or establishing any business activity. Both criminal and civil remedies would be available to bar such efforts by syndicate hoodlums to enter fields of legitimate business.

Finally, the new law would permit increased penalties to be inflicted against syndicate or professional criminals and would enable the prosecution to take a separate appeal where lower court penalties do not appear to be adequately severe.

Attorney General John N. Mitchell has already moved courageously and decisively against the crime syndicate. His establishment of "strike forces" operating against mob leaders in our major cities has already shown encouraging results. Fifty-nine known or suspected members of the gang were indicted in 1969. With the further development of strike forces and the assignment of additional attorneys to the Organized Crime and Racketeering Section of the Attorney General's Office, the fight against organized crime will continue.

The Attorney General has indicated his full support of this new broad legislative attack against organized crime. The tools contained in the Organized Crime Control Act of 1969 (S. 30) are vital in the defense of our nation against the criminal underworld.

Two Science Courses Set For Summer

Dr. F. Morgan, Chairman of the Division of Science and Math, announced that two new science courses will be offered for the summer session at the College of Lake County.

Introduction to Ecology (BIO 225) emphasizes man's relationship to his environment. The course will include some traditional ecology, concerned with the relationship between plants and animals. In keeping with the present emphasis on environmental conditions, this course will fill the need for up-dating the individual's knowledge in the areas of local conservation and ecology. The three-hour credit course is scheduled to meet on Tuesdays, Wednesdays, and Thursdays from 7:30 a.m. to 9:40 a.m.

Field Biology (BIO 226) and Field Geology (GEO 226) will be offered as a post-session course this summer. During this time August 8 through August 28, the class will tour the southwestern regions of the United States and study the geology and biology of the Grand Canyon, Zion and Bryce National Parks. Special attention will be given to the types of geological formations and the basic ecology of these regions. There are no pre-requisites for this four-hour credit block of courses other than an interest in this study and the physical ability to undertake extended hikes at high altitudes.

Registration for all summer session classes were held on Thursday, June 11 and Friday, June 12. The tuition for students residing within the College district is \$7 per credit hour, plus the registration and activity fee of \$5. Additional fees are required for the Biology-Geology Field trip.

Further information about the above mentioned courses and summer session courses offered by the College of Lake County may be obtained from the Office of Admissions, 19351 W. Washington Street, Grayslake, Illinois 60030, telephone 223-8193.

NI-Gas In Housing Partnership

In line with its policy of encouraging the construction of low and moderate-income housing, Northern Illinois Gas Company has joined the National Corporation for Housing Partnerships.

Marvin Chandler, NI-Gas chairman, said the NCHP is made up of 265 major industrial corporations, utilities, labor unions, banks and insurance companies. Together, they have pledged almost \$42 million to help build at least 100,000 housing units in the next seven years. NI-Gas, which is one of 25 Illinois companies participating in the program, will invest \$100,000 if given Illinois Commerce Commission approval, Chandler said.

The National Corporation for Housing Partnerships will help builders develop housing for low and moderate-income families by providing seed money, investment capital and expert advice, including assistance in obtaining

Insurance Pamphlets Available

Free pamphlets on veterans' government life insurance programs are available at Veterans Administration offices.

The pamphlets have been updated and nearly one million copies are available.

Each pamphlet contains a section on general information about National Service Life Insurance policies. There are chapters dealing with designation of beneficiaries, optional settlements, and total disability income provisions.

The pamphlets also contain helpful hints for policyholders, such as the suggestion that veterans may have government life insurance premiums automatically deducted from their VA benefit checks or from military service retirement checks.

The VA stressed these pamphlets contain only general information, and that specific information

about individual policies should be requested from the VA Center where the veterans' insurance records are kept. This would be the place where policyholders pay their premiums.

In contacting the VA for this purpose, the veteran-policyholder should include his full name, insurance purposes, and social security number.

If a veteran does not know his insurance file number, he should provide VA with as much additional basic identifying information as possible, including military service, serial number, branch of service, and date of birth.

3 Lake Villa Students Get Abbott Awards

Three Lake Villa students will receive one-year college scholarships from the Abbott Foundation of Abbott Laboratories, North Chicago, it has been announced.

They include Lloyd and Paul Fager, both of Rte. 3, Box 288, and Karen Swanson, of Rte. 3, Box 611.

Previous winners who have had their scholarships renewed for another year are Patricia Johnson, of Rte. 4, Box 276, Antioch, Craig Patterson, of Rte. 3, Box 683, Antioch, and Cathy Snodgrass, of 605 Old Plank Road, Wildwood.

According to the VA, veterans received more than 230,000 VA-guaranteed and direct loans in the amount of about \$4.2 billion in fiscal year 1969.
